Please join us for an event that will bring together community leaders and partners for an overview of the 2010 U. S. Census strategy and formation of the first Complete Count Committee (CCC) for Okeechobee County. Resources to support your organization's outreach efforts on behalf of the 2010 Census will be available. Ms. Melissa Serrano, Partnership Specialist from the Census Bureau, will be our keynote speaker on this important initiative.

Ms. Serrano will provide the best practices and lessons learned from previous years as well as helpful information and materials to continue promoting this important effort to your colleagues, members and constituents.

Please R.S.V.P. to Vicki Smith, Okeechobee County Liaison, by email ysmith@co.okeechobee.fl.us or call 863-763-6441.

Please forward on to your community partners. We need everyone to get involved and make a difference for Census 2010. This will ensure that Okeechobee achieves the most accurate count possible in 2010 so that we can receive the resources and representation Okeechobee deserves for the next 10 years. We are looking forward to seeing you!

Thank you.
