6. WORK ENVIRONMENT:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodation may be made to enable qualified individuals with disabilities to perform the essential functions.

This job consists of work situations which are of a repetitive and non-repetitive nature. Many complex decisions are based on concrete and abstract variables requiring a high degree of accuracy. This is particularly evident in life-or-death situations. Decisions are frequently made under stress and the employee is held accountable for the result as well as the legality by which that result was reached. Situations occur which may result in the taking of another person's life as well as the loss of their own.

The employee routinely talks/confers with individuals and groups of all social economic levels to provide information, direct their movements, and resolve problems of mutual interest, utilizing terminology and phraseology consistent with their sub-culture. Works closely with other law enforcement agencies, other Officers and professionals, such as lawyers, doctors, judges, etc.

Stressful situations are frequently encountered in the performance of the duties and responsibilities of the position. This is evident in situations involving high speed motor vehicle chases, testifying in court, shoot outs, time limits, public criticism, social pressure and dealing always with the subtleties and vagaries of civil right interpretations.

While performing the duties of this job, the employee frequently works in outside conditions. The employee is occasionally exposed to wet and humid conditions, hot and/or cold conditions, or airborne particles. The employee occasionally works near moving mechanical parts; in high, precarious places or with explosives. Occasionally is exposed to fumes or airborne particles, toxic or caustic chemicals, extreme cold, extreme heat and vibration.

Generalized work assignments from their immediate supervisor or other superiors are most often without detailed instruction. Work is subjected to review by immediate supervisors by means of periodic performance evaluation, visual monitoring of tasks performed, and review of reports.

7. WORK LOCATION AND HOURS:

Police Department, 50 Southeast 2nd Avenue.

14-day designated work week; 12-hour rotating shifts; Full-Time: 84 hours per workweek; Part-Time: 10-40 hours per work-week.

Employee is subject to **MANDATORY** overtime, is expected and required to share responsibilities with shift coverages, special events, and be able to work extended hours when required by supervisors, including holidays, evenings, weekends, during hurricane threats and/or any other emergency disasters, or any other period that does not include a normal 12-hour shift. Employee's schedule can include "floating" for periods of time to allow employee to work on all shifts and cover vacancies. Work schedules are assigned by the Police Chief or designee based on the needs of the Department.

8. ADDITIONAL INFORMATION:

- A. **Evaluation Period:** Successful candidates will be on a new hire probationary/evaluation period for a minimum of 6-months, to allow a period for an evaluation of ability, work habits and conduct. The Police Chief has authority to dismiss the new employee without notice and without cause being given. *Employees are not authorized to use accrued annual leave hours while on new hire probation.
- B. **Drug Testing Policy:** The City is committed to providing a safe work environment for all its employees. The abuse of alcohol and drugs is a national problem which impairs the safety and health of employees and the public, promotes crime, and harms the entire community. In order to maintain the highest standards of morale, productivity, and safety, the City has instituted a drug and alcohol-free workplace program.
- C. **E-Verify:** To comply with Federal and State law, the City participates in E-Verify. All newly hired employees are queried through this electron system established by the Department of Homeland Security and the Social Security Administration to verify their identity and employment eligibility. Any employment offer is contingent upon compliance for Form I-9 completion timelines and confirmation of employment authorization by E-Verify.
- D. **Benefits:** An excellent benefits package accompanies the City's competitive salaries and opportunity for continuing professional development. Our employees enjoy the many advantages of living in South Florida with its wonderful sub-tropical climate, exceptional year-round recreational opportunities, and the following benefits:
 - Health Insurance (City pays coverage for employee and contributes toward family/spouse premiums)
 - Group Life and Disability Insurance (City pays coverage for employee). Additional policies can be added at group rates by the employee.
